

SEVEN LAKES HIGH SCHOOL ORCHESTRAS

The Seven Lakes Orchestras Parent Association (SLOPA) is an organization whose goal is to foster, maintain, and support the Seven Lakes High School Orchestra program. This goal has been achieved in part by providing opportunities for students to grow in their love of music as well as their abilities as musicians. Since its inception, SLOPA has been able to provide students with equipment, training from accomplished musicians, and opportunities to work and grow with other students in the orchestra.

SLOPA wishes to express gratitude to all who support the arts and assist the orchestras in fulfilling their goals. As the program grows and expands SLOPA hopes to improve its ability to support the program; two such goals are, providing more instruments and equipment, and supporting a scholarship fund. These goals can only be accomplished through contributions from supporters. Please consider being a part of the family of supporters by becoming a member of the Donor Circle. SLOPA is a 501(c)3 organization, all contributions are tax deductible.

If you desire to make a contribution, please fill out the enclosed form and return to **Seven Lakes Orchestras Parent Association**, 9251 South Fry Road, Katy, TX 77494.
